The first 5★ all-inclusive resort in the Maldives, Lily Beach Resort & Spa on Huvahendhoo Island heralds a new era in affordable luxury...

The Setting

Imagine waking up in your own private villa, surrounded by an expanse of blue sky, ocean and coral sands. The islands that make up the Maldives are among the world's most stunning.

The Facilities

As the Maldives' first premium all-inclusive resort, guests enjoy the benefits of the Platinum Plan, consisting of an array of quality services; premium wines and spirits, sumptuous dining experiences, excursions and sporting activities.

The local waters are teeming with marine life and you can snorkel on the house reef, just metres from the sandy beach, or scuba dive at more than 40 nearby sites. Lily Beach's onsite spa provides an array of holistic therapies and body treatments in stilted treatment suites over the lagoon and you'll also find some of the Maldives' best dining at sand-floored beachside restaurants.
